About our tutoring services

Our tutoring programs are designed to deliver real academic results and make learning enjoyable. We specialise in private (both online and in-person) and online class tutoring options. Our tutors are experienced and passionate about helping students reach their goals.

Class Tutoring Programs

- Small, focused online programs for **Years 7–10 Mathematics** and **Year 11-12 VCE Mathematical Methods**.
- Students learn content through pre-recorded videos and then apply those skills in the highly interactive live classes which also recap the weekly topics.
- Students have access to our all day support forum where they receive academic support anytime.
- **Normally \$40 per class which is already half the price of our largest competitor. Corporate Partner Employees receive a 25% discount on our standard price forever.**

Private Tutoring

- One-on-one personalised lessons tailored to each student's learning goals. Available online or in-person.
- Available for **any year level and any subject in Australia**.
- **Normally \$65 per lesson — Corporate Partner Employees receive a 15% discount on this price forever.**

Why businesses should partner with us

At **Academic Peak Tutoring**, we believe that supporting your employees extends beyond the workplace. By partnering with us, your business can offer staff a meaningful, practical benefit — access to high-quality tutoring services at exclusive discounted rates.

This partnership allows your team members to better support their children's education while maintaining a healthy work-life balance. It's an effortless, zero-cost way to demonstrate that your organisation truly values its people.

By Partnering with Us, You:

- **Offer a meaningful employee benefit** — give your staff access to premium tutoring services at discounted rates, at no extra cost to your business.
- **Show commitment to your team's livelihoods** — demonstrate that your organisation cares about the success and wellbeing of your employees and their families.
- **Strengthen employee wellbeing** — reduce stress and support balance between work, family, and personal development.
- **Attract and retain top talent** — stand out as a business that invests in the lives of its people.

How our Corporate Partnership Program Works

1. Unique Partnership Code

- Your business is assigned a unique referral code that staff can use when enrolling with us.
- This code automatically applies the corporate discount to any eligible tutoring service.

2. Promotional Materials

- We provide ready-made promotional resources for you to share in your internal channels — newsletters, bulletin boards, intranet posts, and more.
- You're welcome to customise or create your own materials if you prefer.

3. Flexible Commitment

- There's no minimum participation requirement.
- The level of your involvement is entirely up to you and is proportionate to the benefits you receive.

4. Employee Benefits

- Your employees gain discounted access to high-quality private and class tutoring sessions for their children.
- They can book lessons directly through our website using your company's unique code.

5. Partnership Recognition

- Partnered businesses may be featured on our website and social media channels. This showcases your commitment to staff wellbeing and enhances your image.

How to partner with us

Joining our Corporate Partnership Program is simple and free.

- **Step 1:** Express your interest by emailing us at **partnerships@academicpeaktutoring.com.au**
- **Step 2:** We'll reach out to discuss your organisation's goals, confirm our partnership with you and set up your unique referral code.
- **Step 3:** Receive your partnership materials and start sharing the opportunity with your staff.

We encourage you to ask as many questions as you'd like — our team is always happy to discuss how we can make the partnership as valuable as possible for your organisation.

Empower your employees. Support their families. Strengthen your team. Join the **Academic Peak Tutoring Corporate Partnership Program** today.
